**REQUEST FOR REFUND**

Honorable Director of Patents and Trademarks  
PO Box 1450  
Alexandria, VA 22313-1450

Dear Sir,

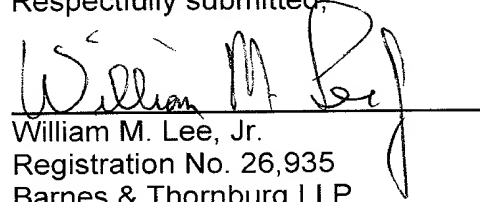

Because of the lack of a proper advisory action issued by the examiner, when the notice of appeal was filed on November 1, 2007, a petition for extension of time was also submitted therewith because of the improper advisory action of October 19, 2007.

However, a proper advisory action has now been issued as of November 2, 2007. Therefore, when the notice of appeal was filed on November 1, 2007, no extension of time was needed. At the very most, depending on how the Patent and Trademark Office views the timing, a one month extension of time would have been needed, but since the advisory action is dated one day after the date of the Notice of Appeal no extension of time should be needed.

Accordingly, it is requested that the Patent and Trademark Office refund to Deposit Account No. 12-013 the \$460.00 extension fee that was paid on November 1, 2007. Any questions should be directed to the undersigned.

November 7, 2007

Respectfully submitted,
